Description

At the Draft Animal Museum, located just South of Auburn, you'll learn history of the draft animal in America through hundreds of antique pieces of horse farming history, and "hands-on" displays for young and old alike. The museum is open select Saturdays & Sundays, May-October, and by appointment. Check our website for availability. Meeting space is available; field trips and group tours welcome. Discover the fascinating world of draft animals at the Draft Animal Museum. This unique museum showcases artifacts, exhibits, and interactive displays highlighting the vital role of draft animals in agriculture and transportation. The museum is open by appointment only. Call ahead to plan your visit!
