Description

Join us for fun suitable for all ages at our 12-acre maze, the largest in Northeast Indiana, featuring a new design annually. Included in the admission price, our events area offers games, a 20 ft tube slide, and various activities. Explore our 6-acre pumpkin patch and choose your favorite pumpkins and gourds for purchase. Held annually from mid-September through October, don't miss out! Visit the Amazing Fall Fun website to buy tickets. Please note that our Sunflower Experience for this season has concluded. However, you can still join us during our regular season, every weekend until October 30th. Flowers are still available but will be gone after this year's first hard frost, so be sure to visit us soon! Feeling hungry? Indulge in festival food and drinks, including our famous fresh-baked donuts, cider slushies, sandwiches, fries, and more. Both kids and adults can enjoy our Barnyard Activity Area with various attractions. Then, get lost and have a blast navigating our Corn Maze! It's a fantastic way to enjoy fresh air, exercise, and bond with family and friends. Please note that there is a cost for any flowers you cut, which varies with size and amount. Admission to the Barnyard Activity Area and Corn Maze is \$11 per person, with ages 2 and under admitted for free. Visit the Amazing Fall Fun website to purchase tickets. You can also find us on Facebook for more updates and information.
