Description

DeKalb Humane Society is dedicated to securing forever homes for a diverse array of pets. Cats, dogs, and furry friends receive love and care in a nurturing environment. Committed to responsible pet ownership, they educate the community on pet welfare, spaying and neutering benefits, and preventing animal abuse. Adopting not only gains a lifelong companion but also supports the cause, contributing to awareness and making a difference in innocent animals' lives.

At DeKalb Humane Society, we are passionate about finding forever homes for the pets in our care. Whether they are cats, dogs, or other furry friends, our mission is to provide them with a loving and nurturing environment.

We also believe in the importance of education about responsible pet ownership. We strive to educate our community about pet welfare, the benefits of spaying/neutering, and the prevention of animal abuse and neglect.

By adopting a pet from us, you are not only gaining a lifetime companion, but you are also contributing to our cause and helping us raise awareness. Together, we can make a difference in the lives of these innocent animals.

The DeKalb Humane Society filed for our Certificate of Incorporation on December 23, 1975 and we were granted 501(c)3 status in March of 1976. We are committed to being a no-kill shelter and serving the DeKalb County area.
