Description

Fortify Life addresses housing stability with the DeKalb County Eviction Clinic and comprehensive case management. Fortify Home, a 24-room shelter, aids families in homelessness or crisis, emphasizing permanent housing. Beyond housing, Fortify Life tackles barriers like transportation, food insecurity, and employment readiness, dedicated to innovative solutions for holistic support. **Welcome to**

Fortify Life

partnering with people to remove barriers to the fulfillment of their goals and dreams.

There are people who desire to see change in their lives, but the deck seems stacked against them. Some struggle to find employment that can cover their expenses. Some struggle getting connected to the healthcare they need. Some experience an unexpected expense or challenge and struggle to recover.

We've all heard the phrase, "The struggle is real."

We believe the solutions are real too.
