Description

High's Catering is a full service catering company where we can create made-to-order menus to fit each client's taste and budget or choose from one of our convenient, standard menus.

Our goal is to ensure the satisfaction of every customer by offering professional, friendly service, delectable smoked BBQ meats and fresh, homemade foods.

Beginning in 1969, founder Arlo High recognized a need in his local community. He could combine his passion for smoked BBQ, his family's secret recipe sauce and help local organizations succeed. When Arlo created High's BBQ and Catering, he did it with community in mind. In 1995, Arlo's daughter Regina took the reins – having achieved much success, she expanded the fundraising menu to offer full-service catering. Like her father, Regina was still passionate about helping local communities, but also felt she could provide fresh-food menus for private events at a reasonable cost. In 2016, with the addition of trained-chef Skyle Ringer (Regina's son), the selection, menu and presentation have been taken to the next level. Combing history, love of community, smoked BBQ meats, fresh food and homemade sauces, High's Catering is the perfect choice for any event.

HAVE FUN AND CELEBRATE! WE'LL DO ALL THE WORK

Whether you're planning a social or corporate gathering, a Mitzvah at temple, a wedding reception, board luncheon or fundraiser, High's Catering will help you create a menu to reflect your own style and please your guests.
