Description

Locally Grown for you For over 15 years we've been doing everything in our power to bring the finest flowers and nursery stock to the Northeast Indiana Area. At The Garden Gate Nursery Inc. we offer an authentic greenhouse experience that will suit the entire family. With everything from flowers, succulents, trees, and interactive events, it's a great place to visit again and again since things are constantly changing here. At The Garden Gate Nursery Inc. we feel incredibly lucky that we get to do what we love. We'd love for you to take part in the The Garden Gate Nursery Inc. experience.
